## Custom Sizes and Colors

AGT is capable of color matching all of our hooks to any PMS color. We are also featuring our new clear hooks, which provide excellent support and maximum product visibility.

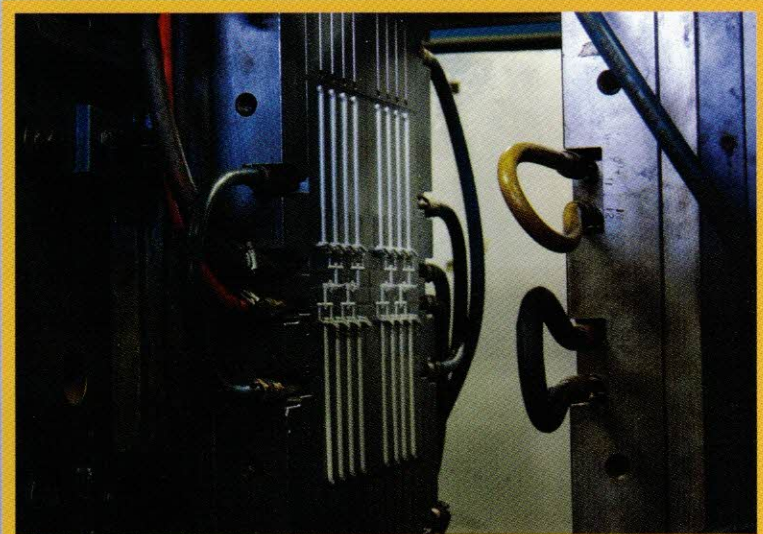

## Kit Packaging

AGT offers kit packaging services for our customer's convenience! We provide custom and high speed poly-bagging as well as boxing and labelling to keep your orders organized.

## Custom Tooling & Design

All of our tools are made in house in order to offer customers the best possible lead times. Our design team is here to guide you through the process of finding your ideal solution.

AGT Products has been dedicated to building, improving, and innovating our company since 1986. We understand our customers' needs and strive to go above and beyond expectations for every project.

In choosing AGT Products, you cut out the middle man and work directly with a manufacturer. This means we can provide competitive pricing, as well as the fastest turnaround times, most knowledgeable support, and highest quality products, made right here in the USA.
